

Village of Afton, NY
Planning Board Minutes
April 7, 2026

Present: April Leggett, Chair, Jason Wicks, Ina Marvin, Christopher Wright

Absent: Rob Humphrey, Trustee Liaison, Code Enforcement Officer

Visitors: Angelina Echevama, Dale Dewey, Joseph Schnorr, Alicia Schnorr

April Leggett opened the meeting at 7:01 pm. Minutes from March 3, 2026 were read.

Ina Marvina moved, seconded by Christopher Wright, to approve the Minutes as read.

Dale Dewey presented prints of 5 different playground equipment options for consideration in applying for a grant through Senator Oberackers' office. After discussions, the Planning Board voted unanimously to recommend that the Board of Trustees support the grant application.

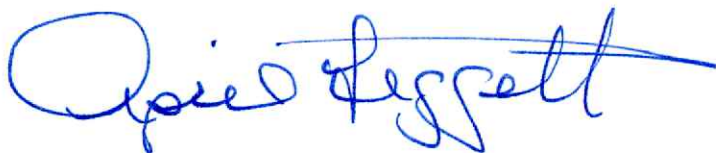

The Planning Board will, if asked, help to write the grant, and also work with the community to gather input on this project. The Planning Board agrees that this would be a valuable addition to the community. Options to consider are: swings, climbing stations, slides, turrets, color options, fencing, security cameras, and lighting. A Pickle Ball court was also discussed but further research was needed on that.

We also discussed a Neighbor to Neighbor volunteer group to assist seniors and others with various projects. Also, having the DPW chip tree branches and allow residents to access and use them for mulch was suggested. Community input and involvement will be developed for these and other ideas.

Jason Wicks suggested that Angeline Echevama be appointed to the Planning Board and she indicated her willingness to serve. Ina Marvin moved, and Chris Wright seconded, nominating Angelina to the Planning Board. The Board of Trustees will be asked to vote on her appointment at the April 13th meeting.

Christopher Wright motioned to adjourn the meeting, seconded by Ina Marvin, at 8:35 pm.

Respectfully submitted,
